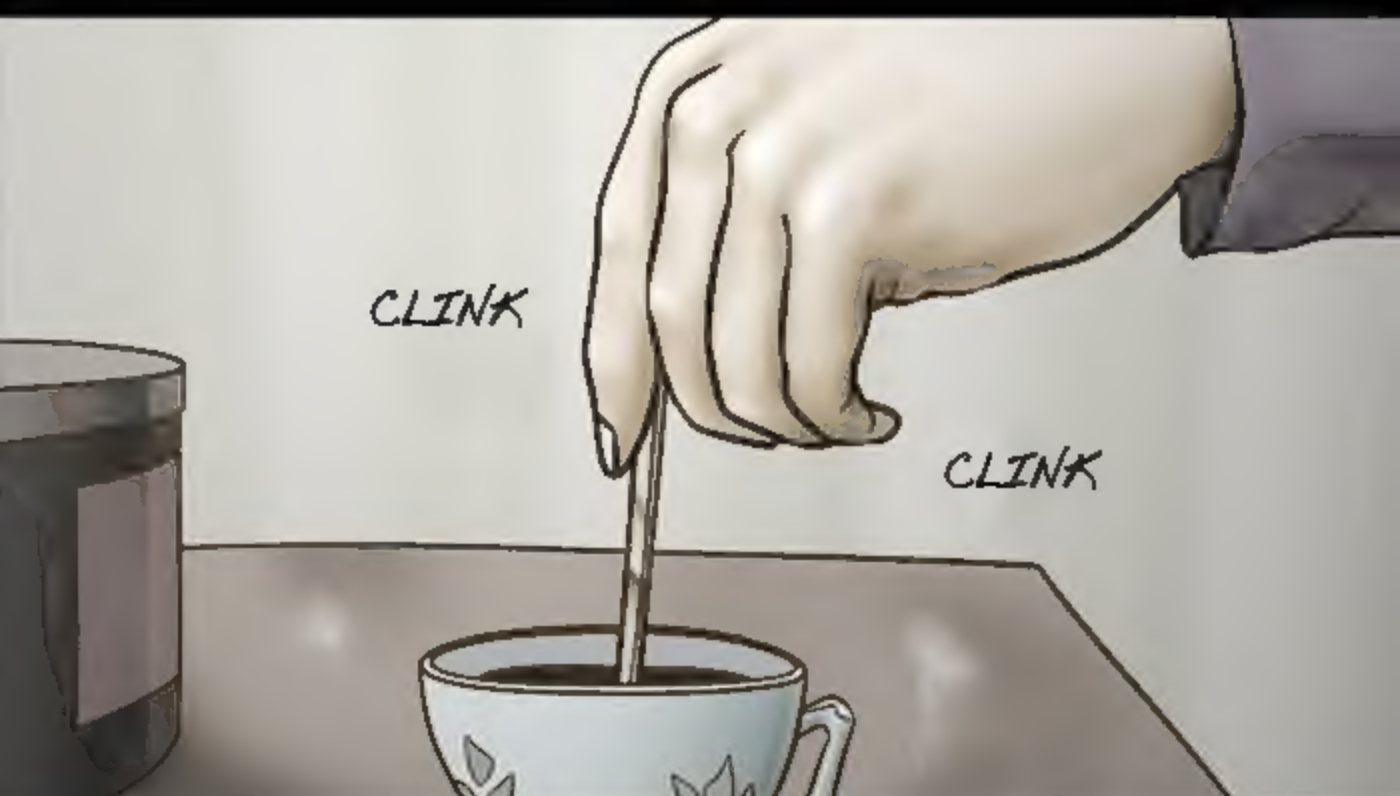
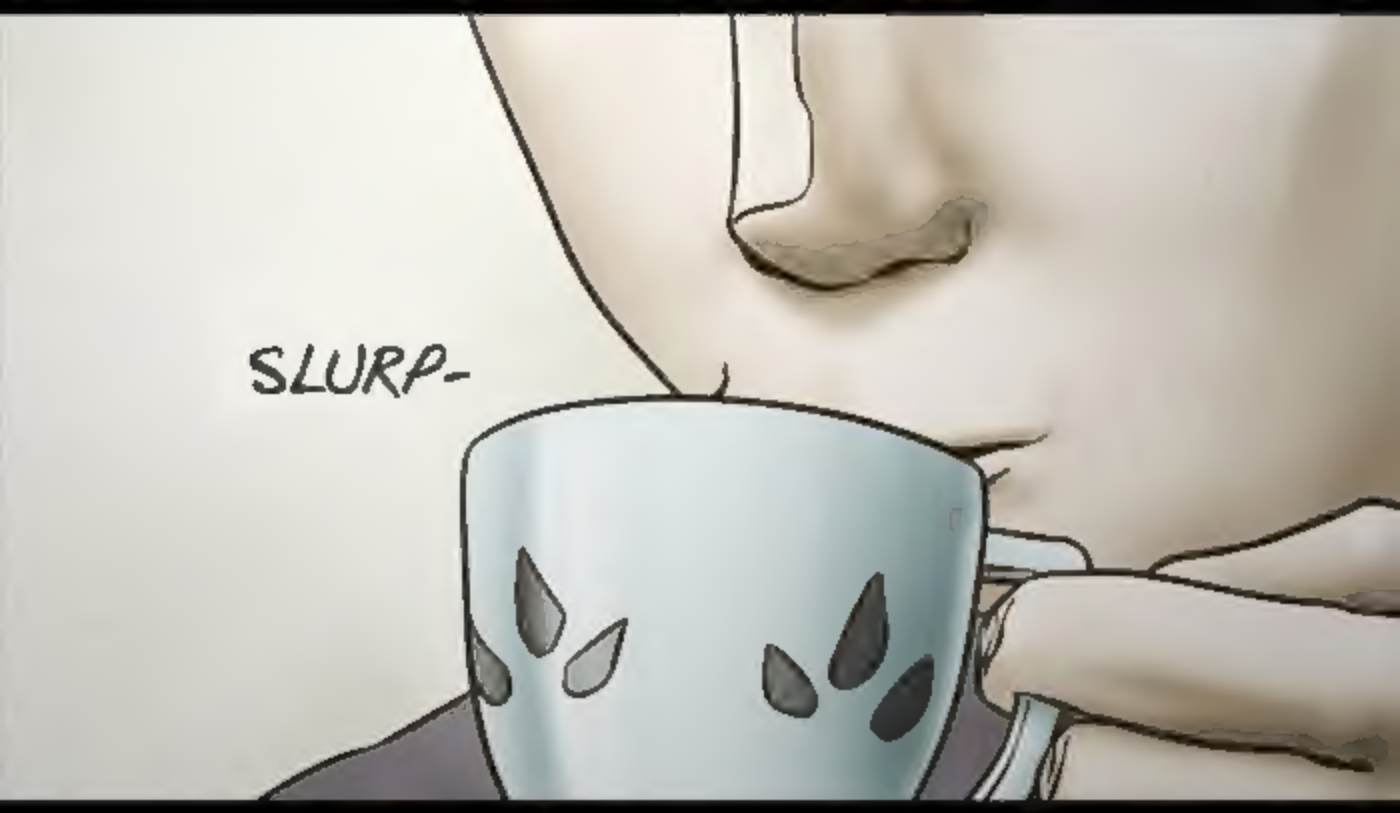
## 064. LUCID DREAMS (1)

〈DAY 1〉



LUCID DREAMS :
DREAMS IN WHICH YOU ARE SELF-AWARE
AND CAN CONTROL WHAT HAPPENS
IN THE DREAM.

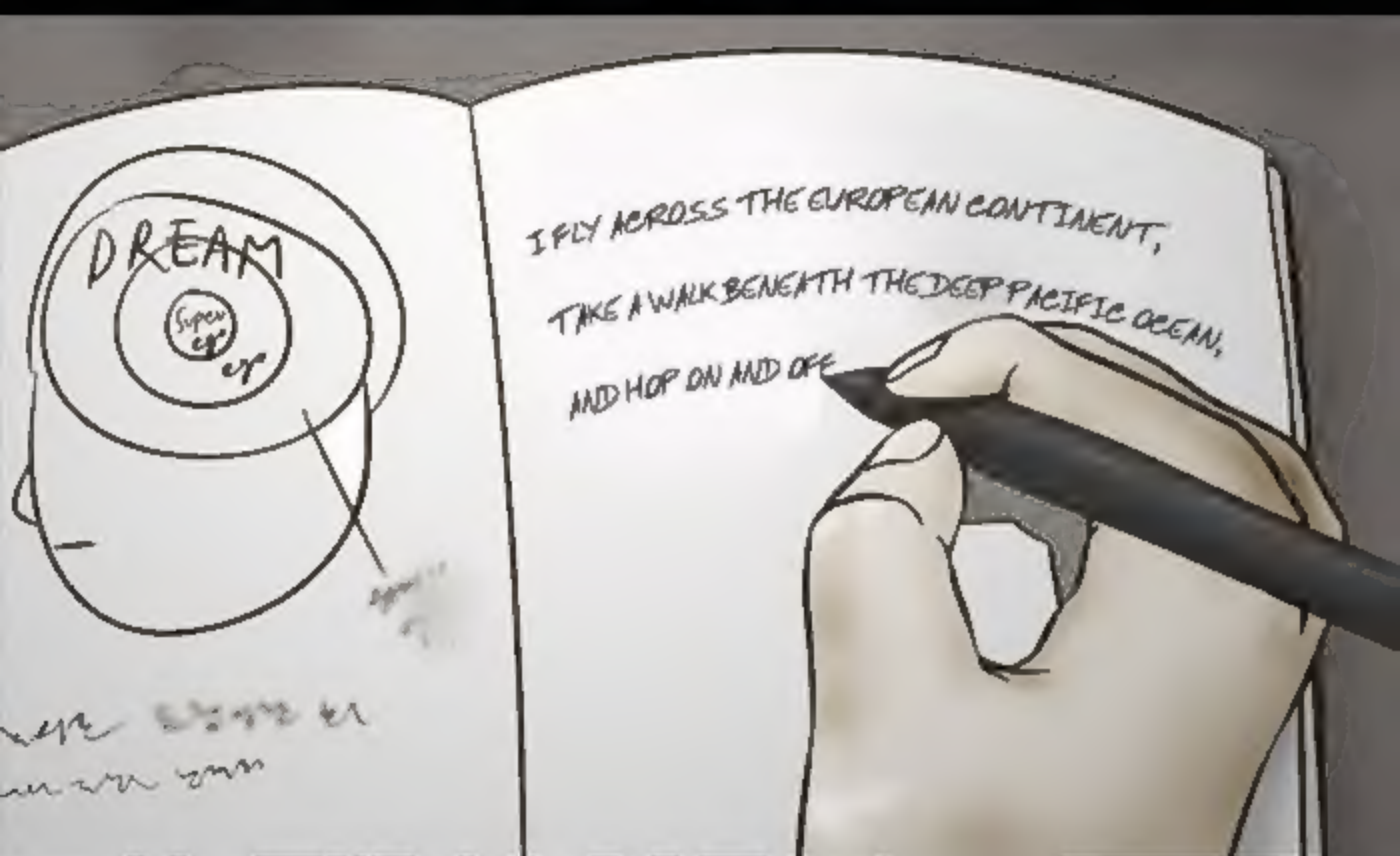


AT FIRST I THOUGHT IT WAS RIDICULOUS,
BUT AFTER SEEING A LOT OF CASES AND TRAINING,
I'M STARTING TO SEE HOW IT'S POSSIBLE.

CONTROLLING MY DREAMS IS
WAY MORE FUN THAN I EXPECTED.

〈DAY 3〉

I'M GETTING MORE AND MORE
USED TO LUCID DREAMS.



I FLY ACROSS THE EUROPEAN CONTINENT,

TAKE A WALK BENEATH THE DEEP PACIFIC OCEAN,

AND HOP ON AND OFF ACROSS THE GALAXY.

TONIGHT,

I ONCE AGAIN FOCUS MY MIND
ON THE DREAM THAT I WANT.

〈DAY 5〉

I AM A GOD! AT LEAST IN MY DREAMS.

EVERYTHING HAPPENS ACCORDING TO MY WILL.

IT'S A TIME TO BE INTOXICATED
WITH INFINITE FREEDOM AND POWER.

HOWEVER...
ALL OF THIS CONCENTRATING
ON MY SUBCONSCIOUS HAS MADE ME
CONSTANTLY TIRED EVEN AFTER SLEEPING.

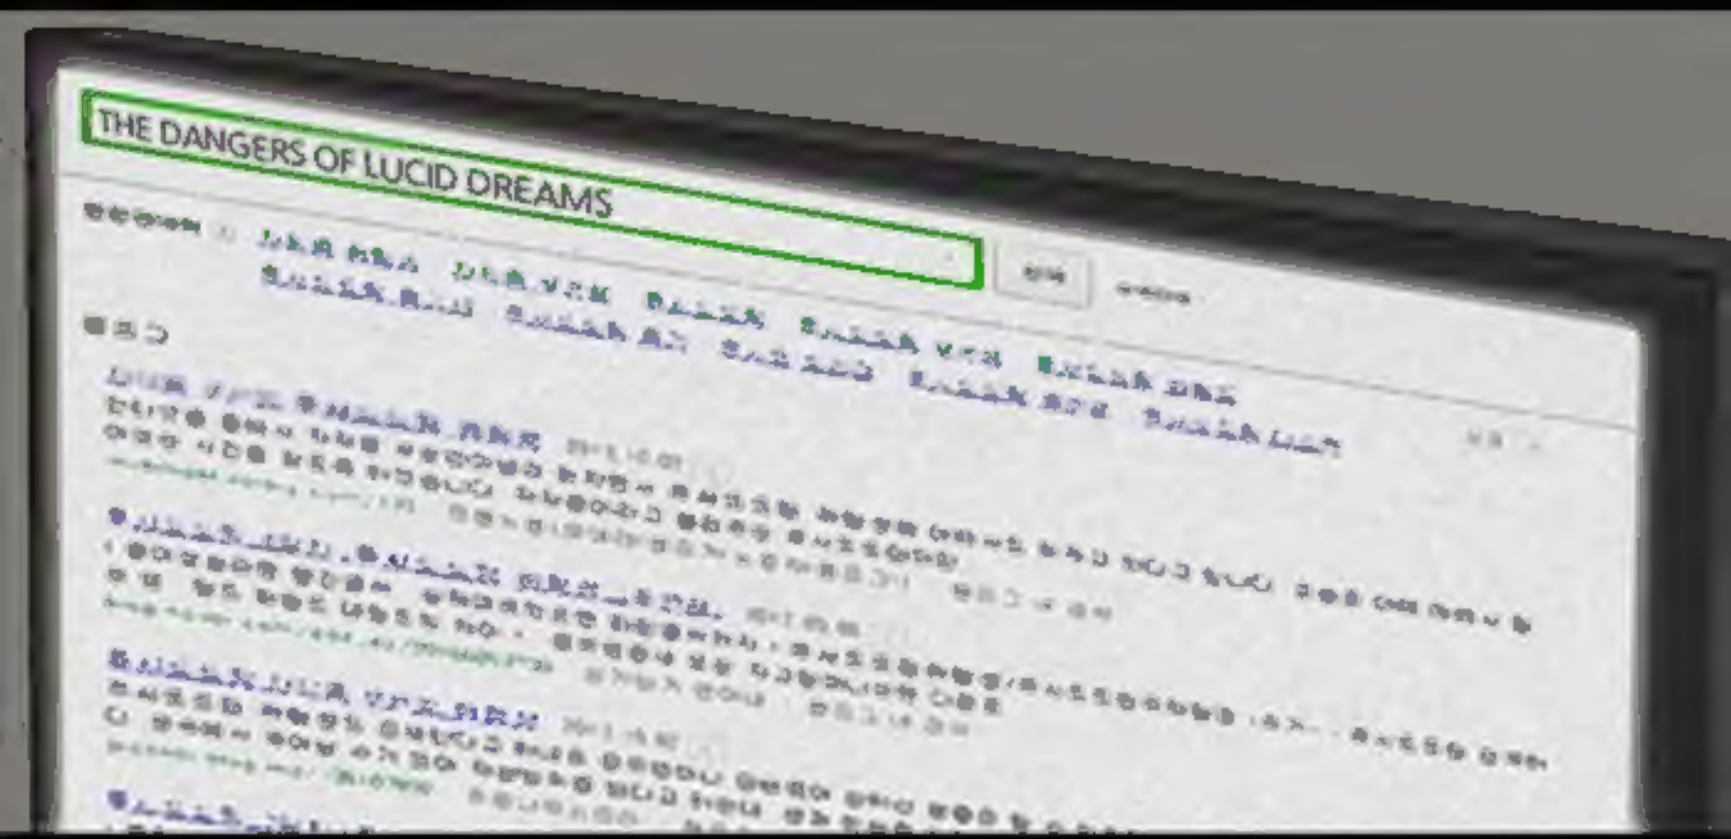
〈DAY 6〉

'TIME GOES FASTER WHEN YOU'RE HAVING FUN,'
IS THIS THAT KIND OF THING?

I FEEL LIKE THE DREAMS KEEP GETTING SHORTER.

BESDIES,
IT'S HARDER TO REMEMBER THE DREAMS LATELY.

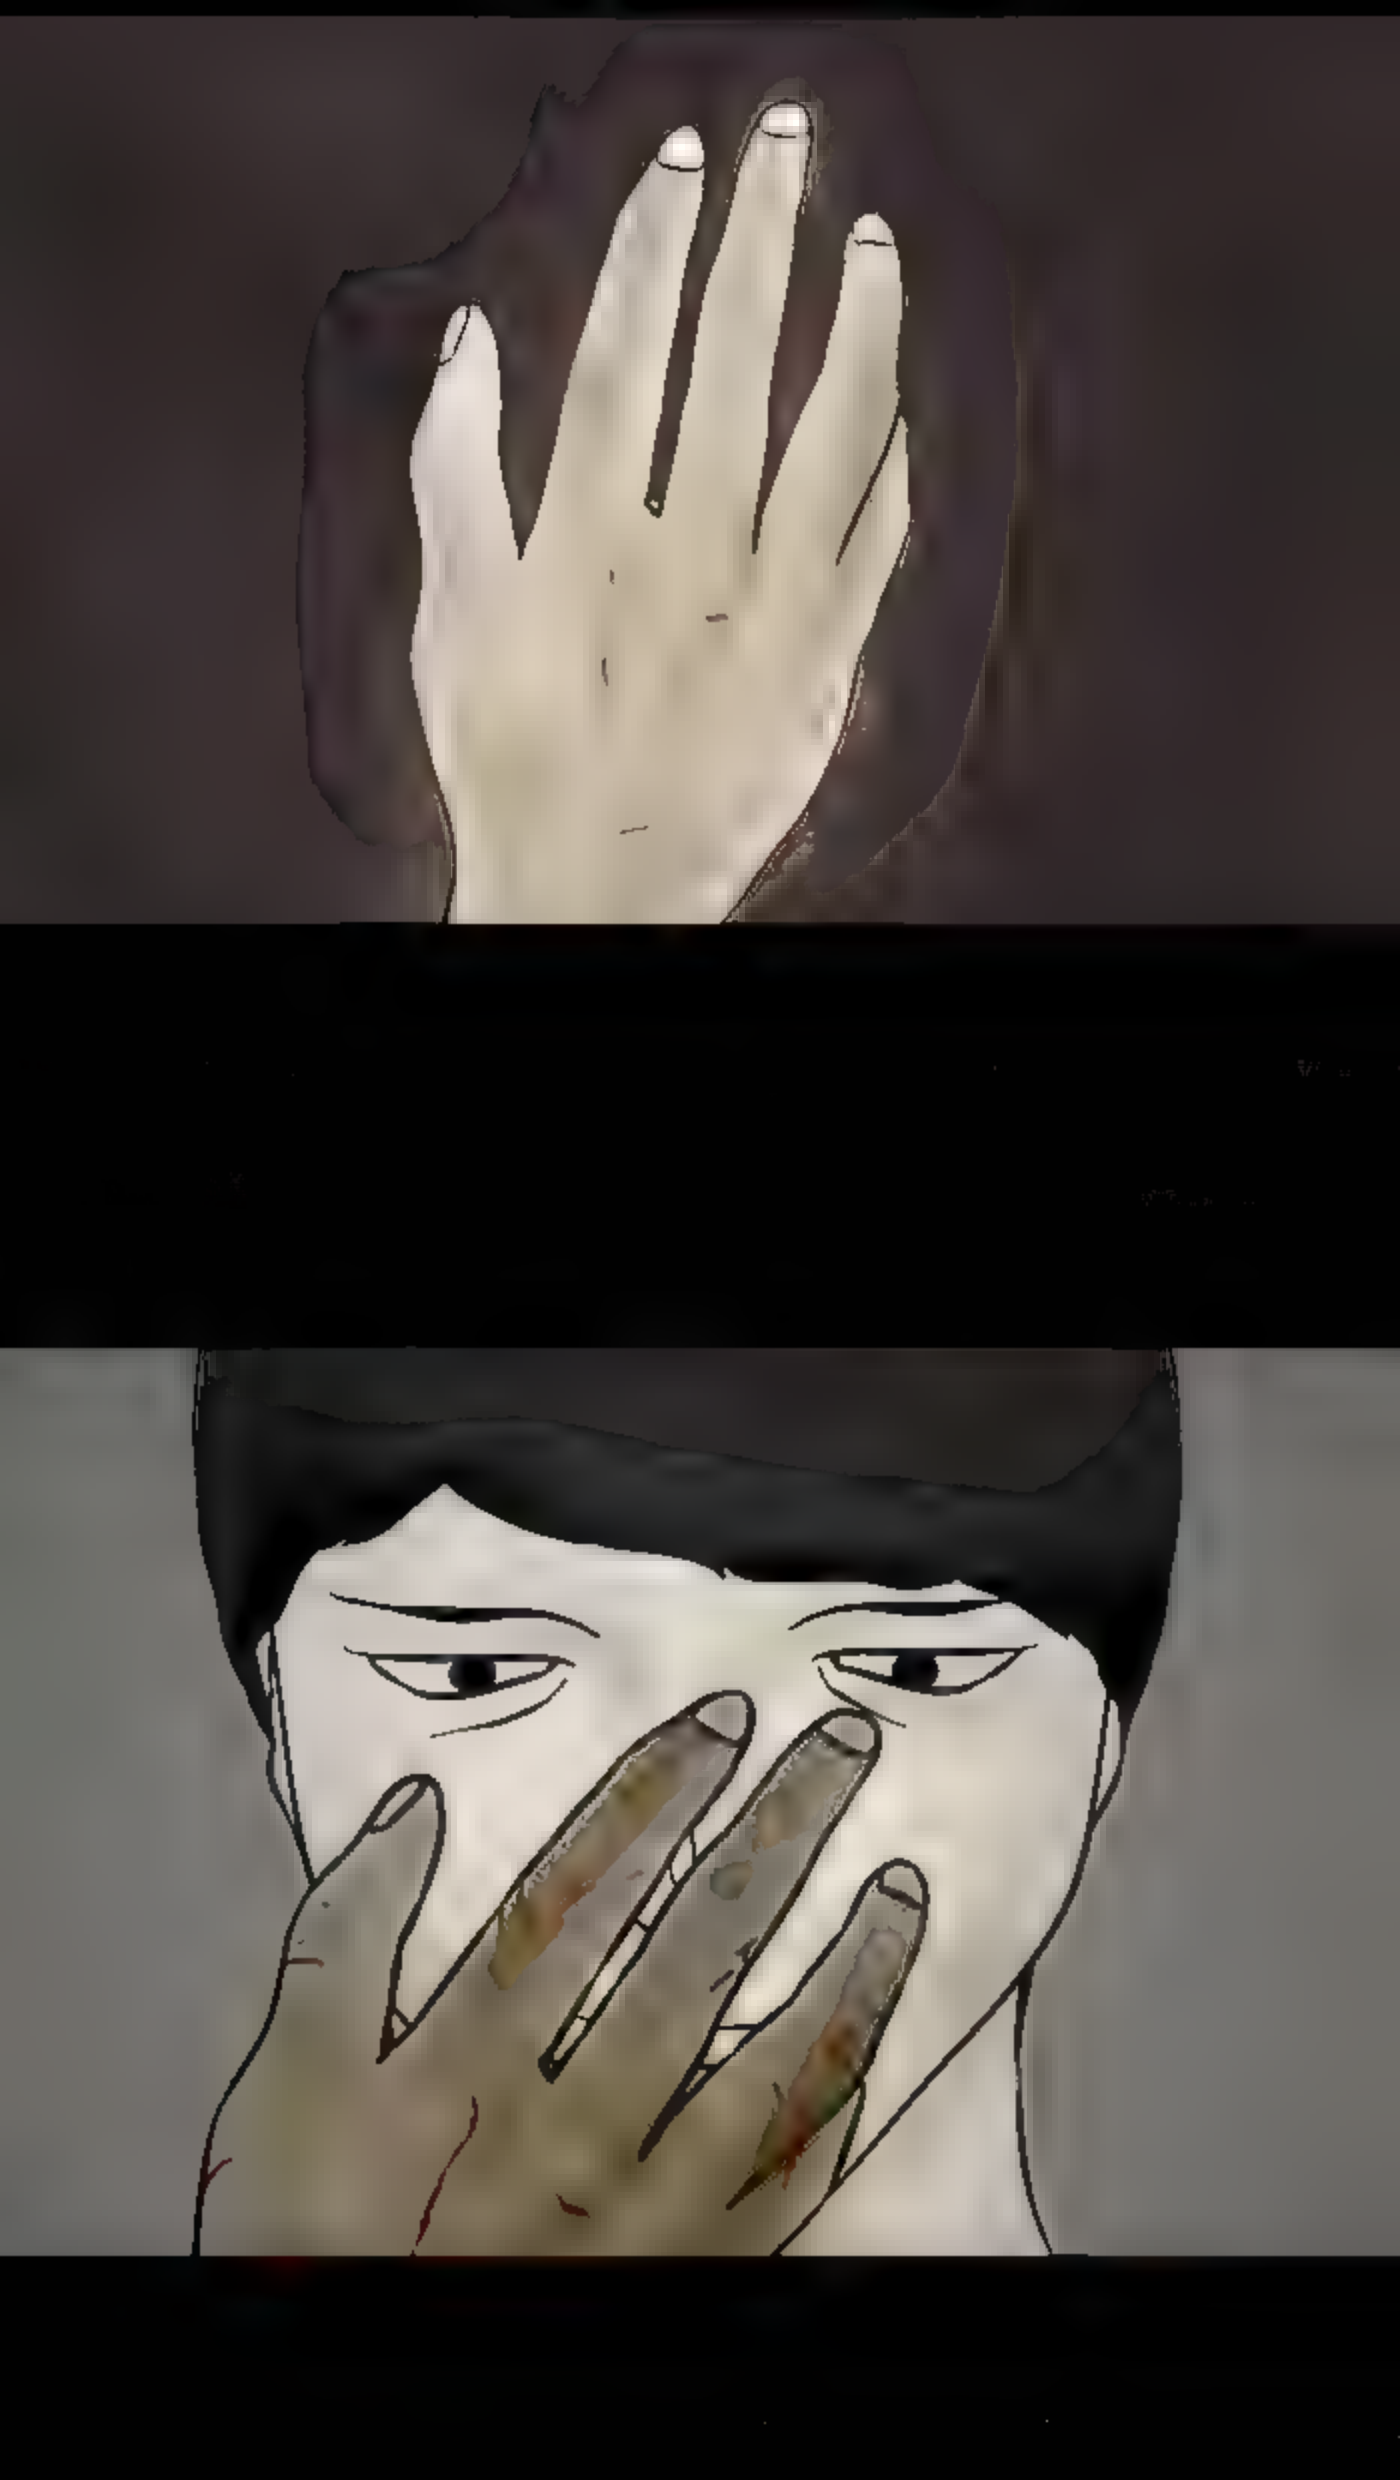
AND MY HEAD FEELS SO HEAVY ALL DAY.



THIS MATCHES THE SIDE EFFECTS OF LUCID DREAMS
THAT I'VE HEARD ABOUT.

I SHOULD REFRAIN FROM THEM A LITTLE BIT.

〈DAY 9〉



WHEN I OPENED MY EYES,
MY WHOLE BODY WAS COVERED IN SCRATCHES.

DID I SCRATCH MYSELF WHILE I WAS SLEEPING?
WHAT KIND OF DREAM DID I HAVE?

I CAN'T REMEMBER WELL.

I HAVE A BAD HEADACHE.

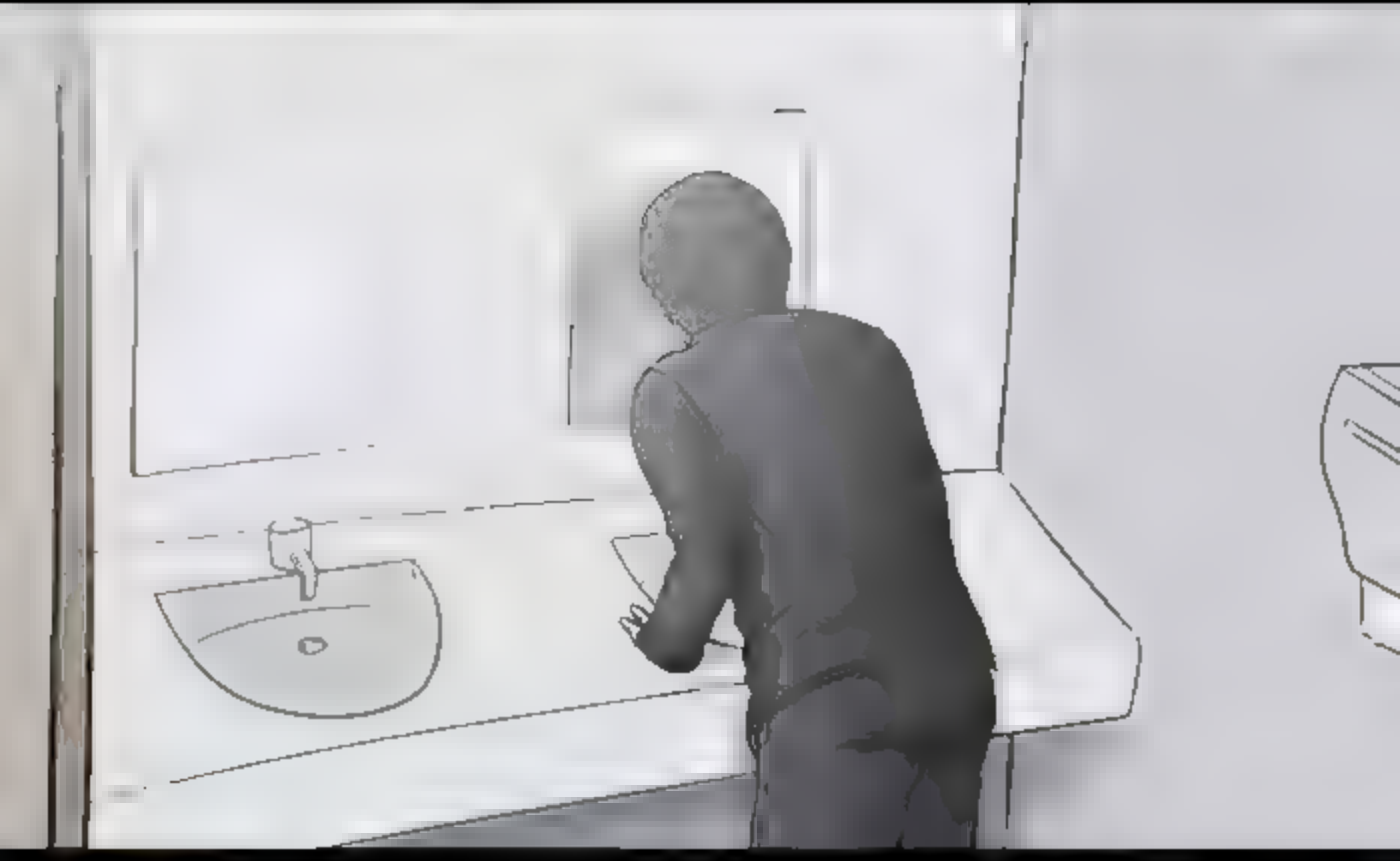
〈DAY 11〉

I'M HAVING A HARD TIME SLEEPING NOWADAYS.

I FEEL SO DAZED ALL DAY AT WORK.

MY BRAIN DOESN'T SEEM TO BE
RESTING EVEN DURING SLEEP.

EACH DAY FEELS LIKE I'M FLOATING IN DARK AND MURKY WATER.

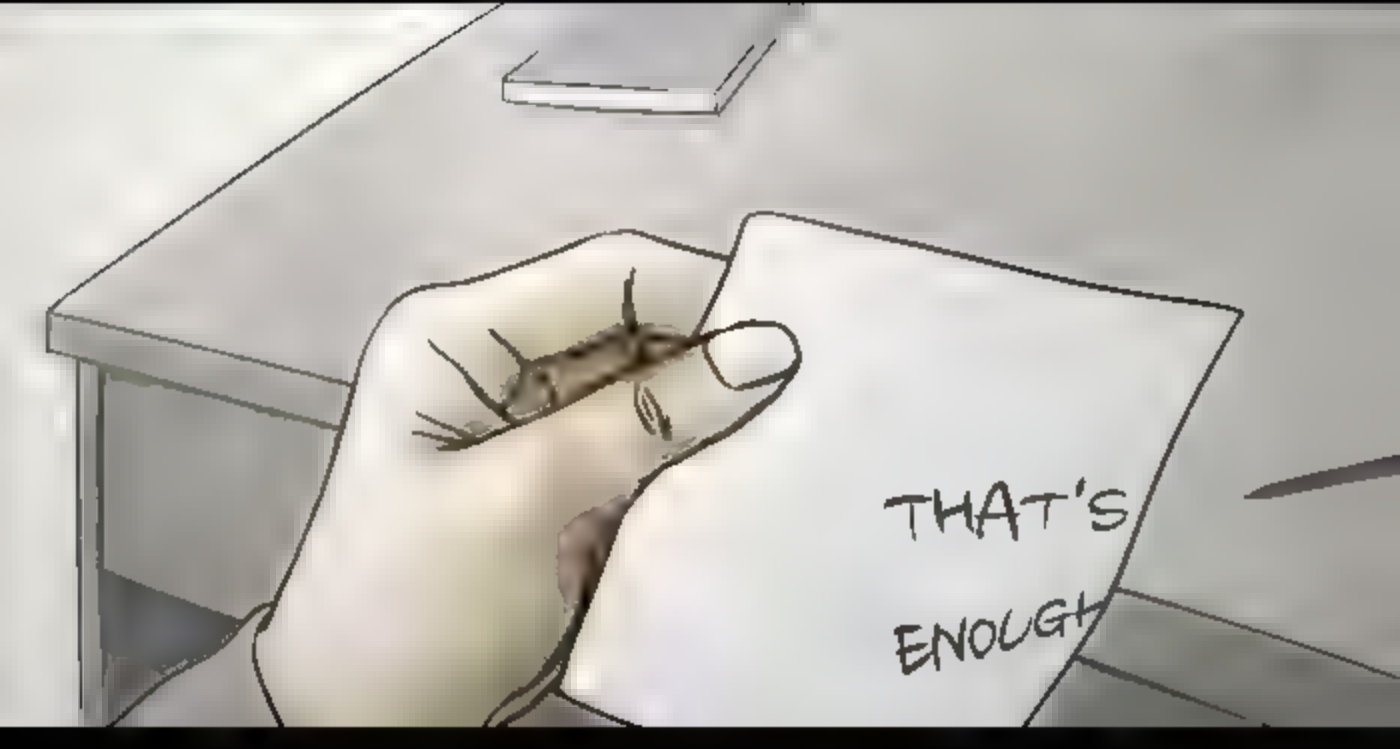


NOW,

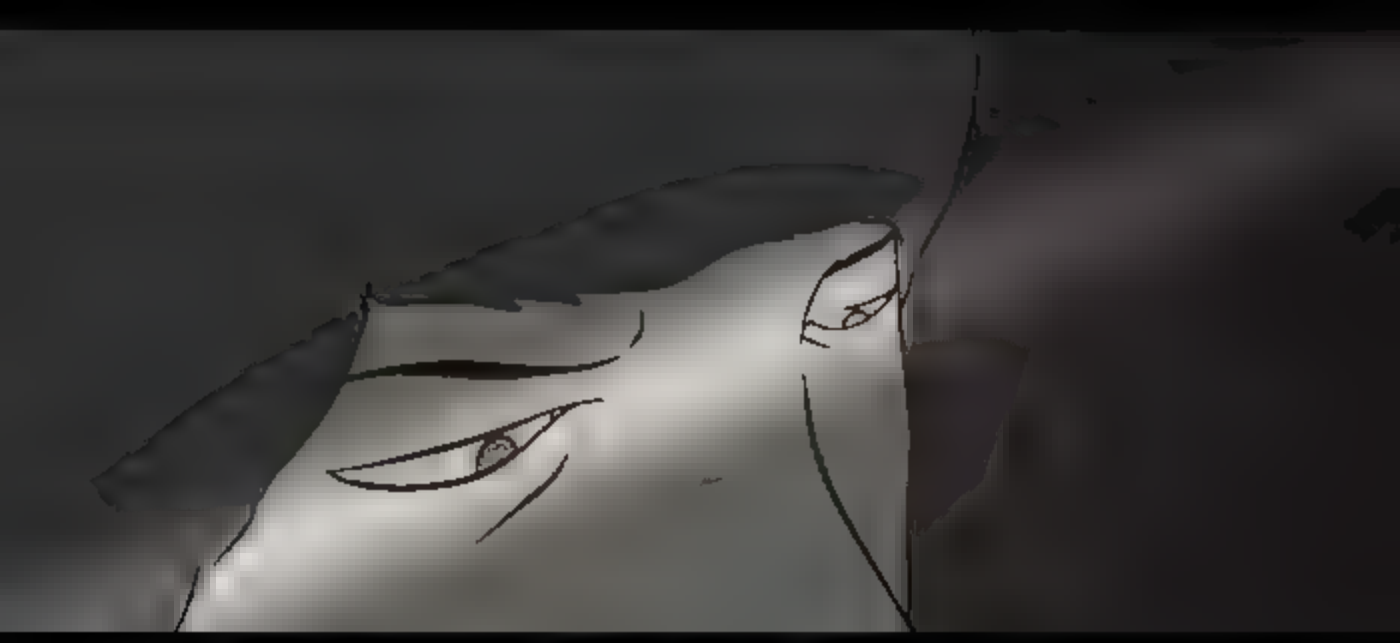
I WANT TO SLEEP.

(DAY 15)

THIS MORNING,
I FOUND A NOTE BY MY BEDSIDE.



IT'S MY WRITING. IT'S CLEARLY MY WRITING,
BUT I DON'T REMEMBER WRITING THIS.



WHAT COULD

THIS MESSAGE MEAN?

(DAY 17)

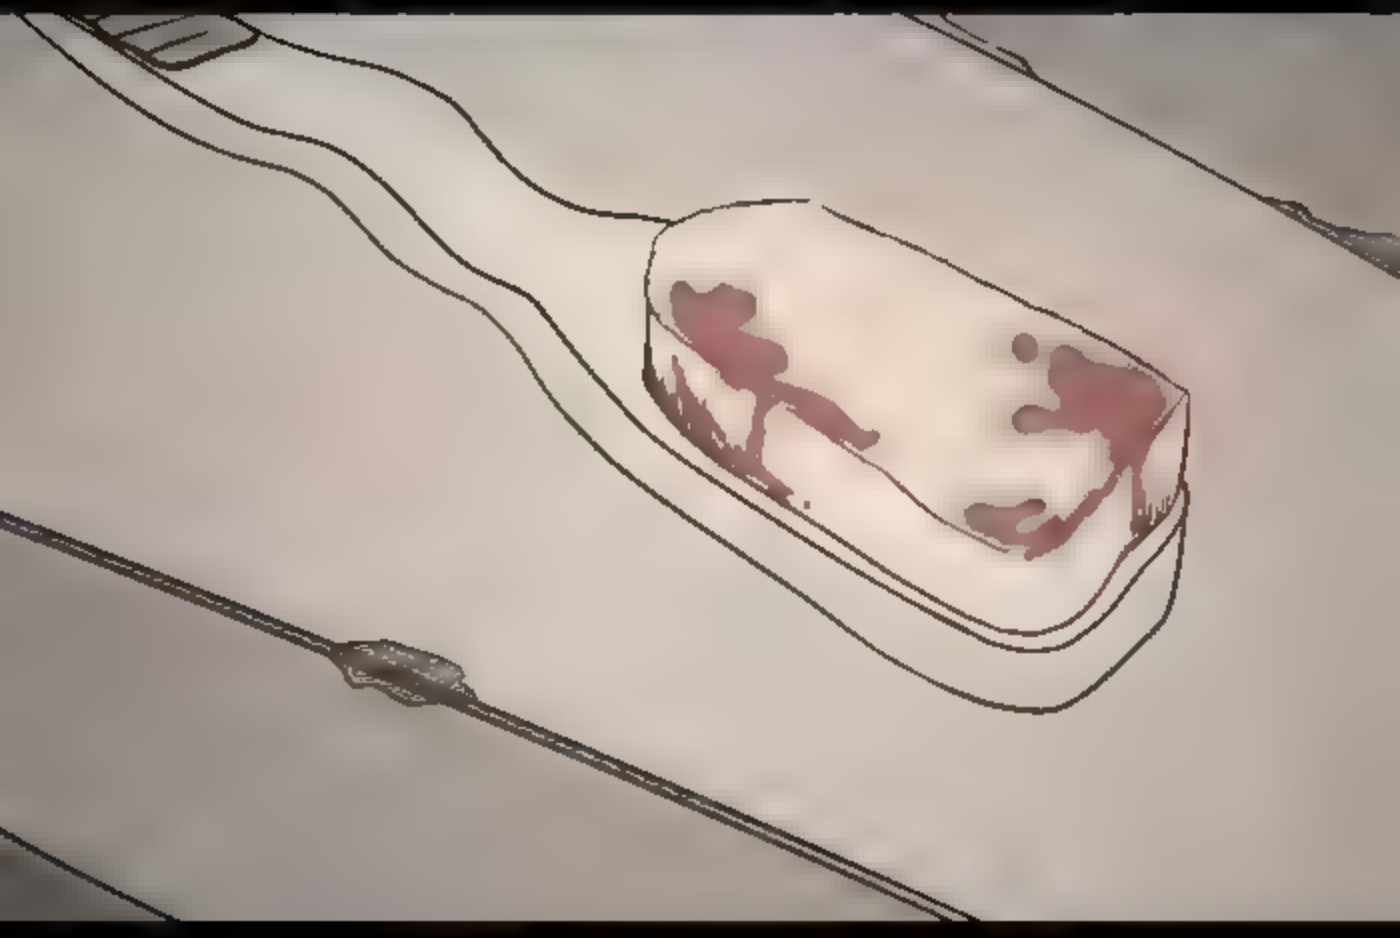
THE MOMENT I OPEN MY EYES,

I'M OVERWHELMED
WITH A SICKENING NAUSEA AND MIGRAINE.

MY BODY FALLS ASLEEP,

BUT MY BRAIN DOESN'T. OR RATHER, IT CAN'T.

I WAS AN IDIOT FOR TRYING
TO CONTROL MY DREAMS.



I CAN'T EVEN REMEMBER MOST OF THEM ANYWAY.

(DAY 20)

I BARELY SLEPT FOR TWO HOURS LAST NIGHT.

HOW CAN I FALL ASLEEP?

HOW CAN I ESCAPE FROM THIS TERRIBLE INSOMNIA AND NIGHTMARES?

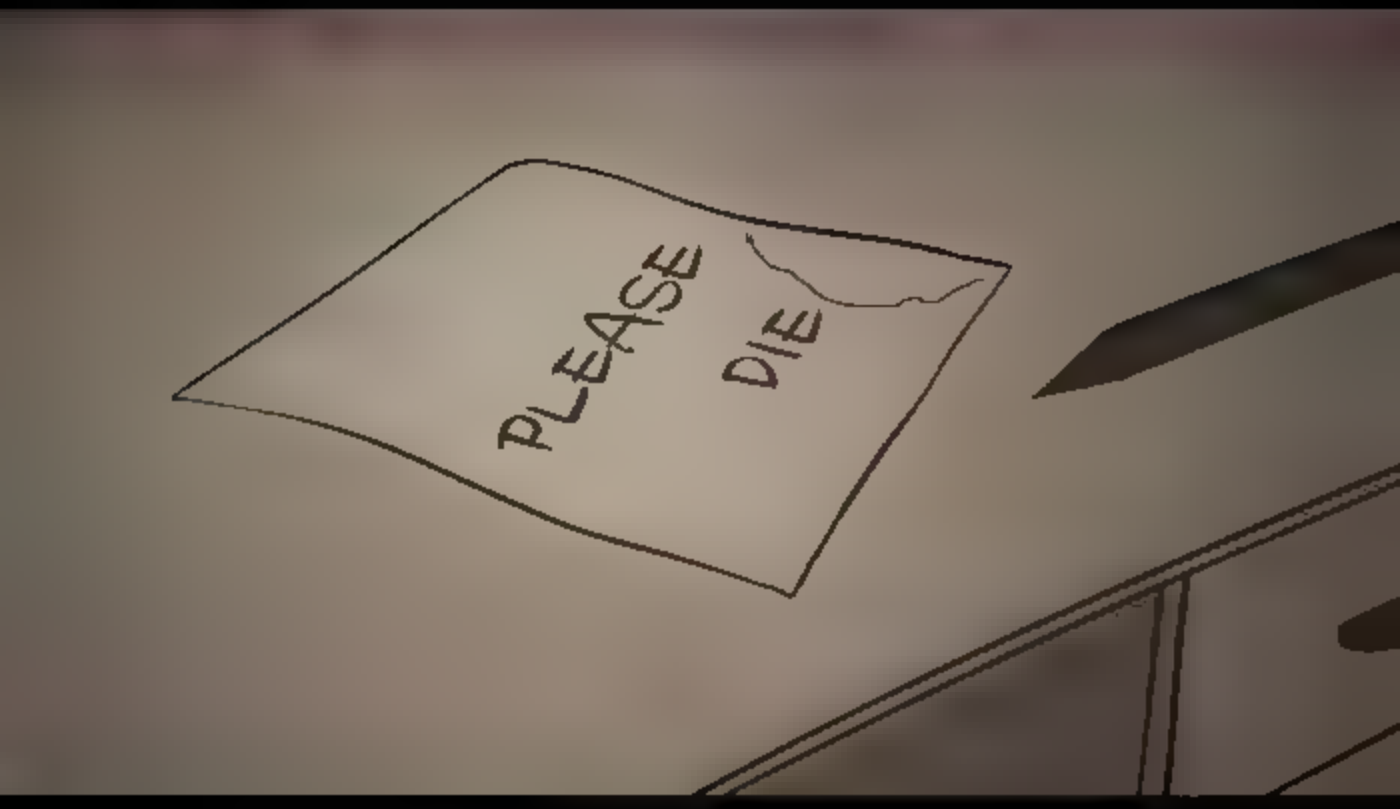
IT HURTS. WHEN I'M AWAKE,

WHEN I'M ASLEEP, CONSTANTLY.

IT HURTS.

(DAY 22)

I FOUND "MY" NOTE WRITTEN IN HEAVY WRITING.

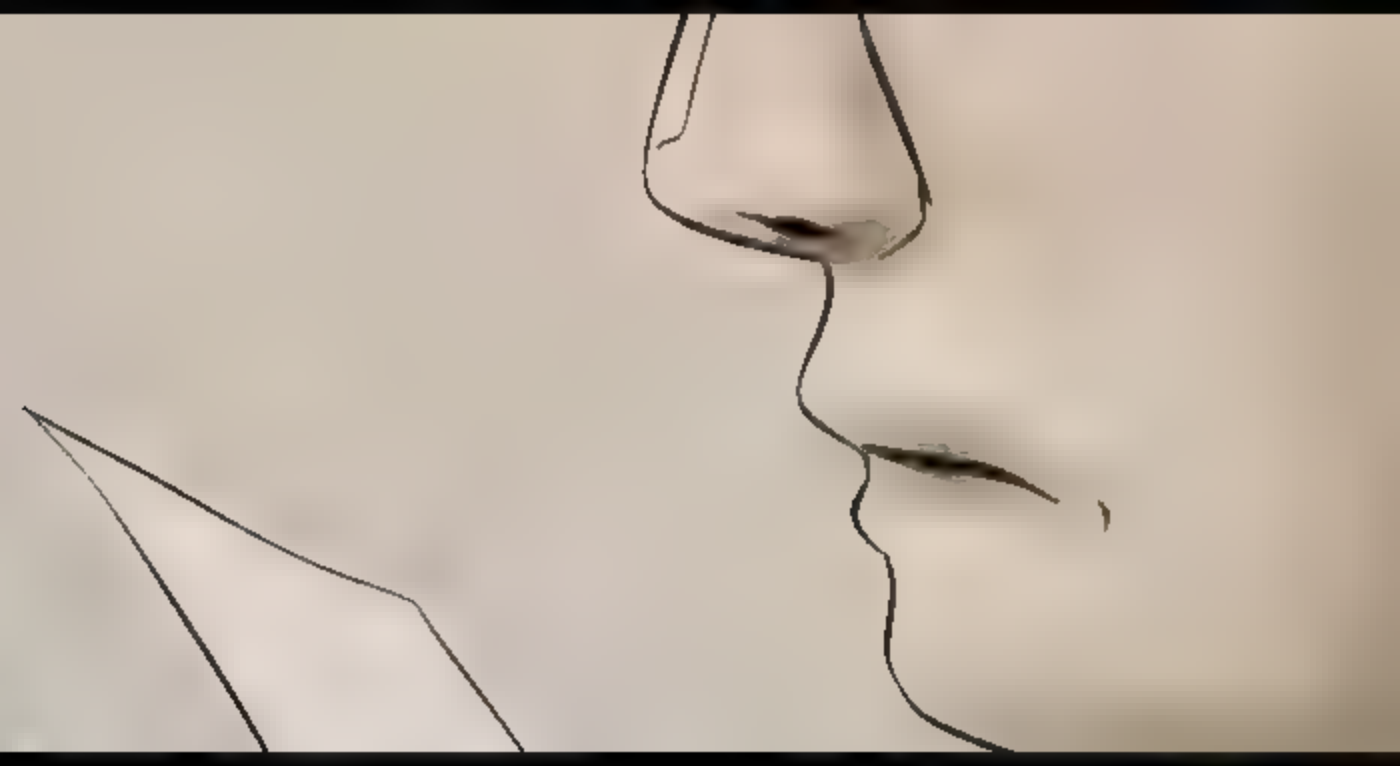


IT GAVE ME GOOSEBUMPS ALL OVER MY BODY.

MY SUBCONSCIOUS IS CONSTANTLY SENDING ME WARNINGS,

BUT MY CONSCIOUS,

DOESN'T REMEMBER ANYTHING.



WHAT COULD THIS MEAN?

AM I SUFFERING FROM SOMETHING IN MY DREAMS?

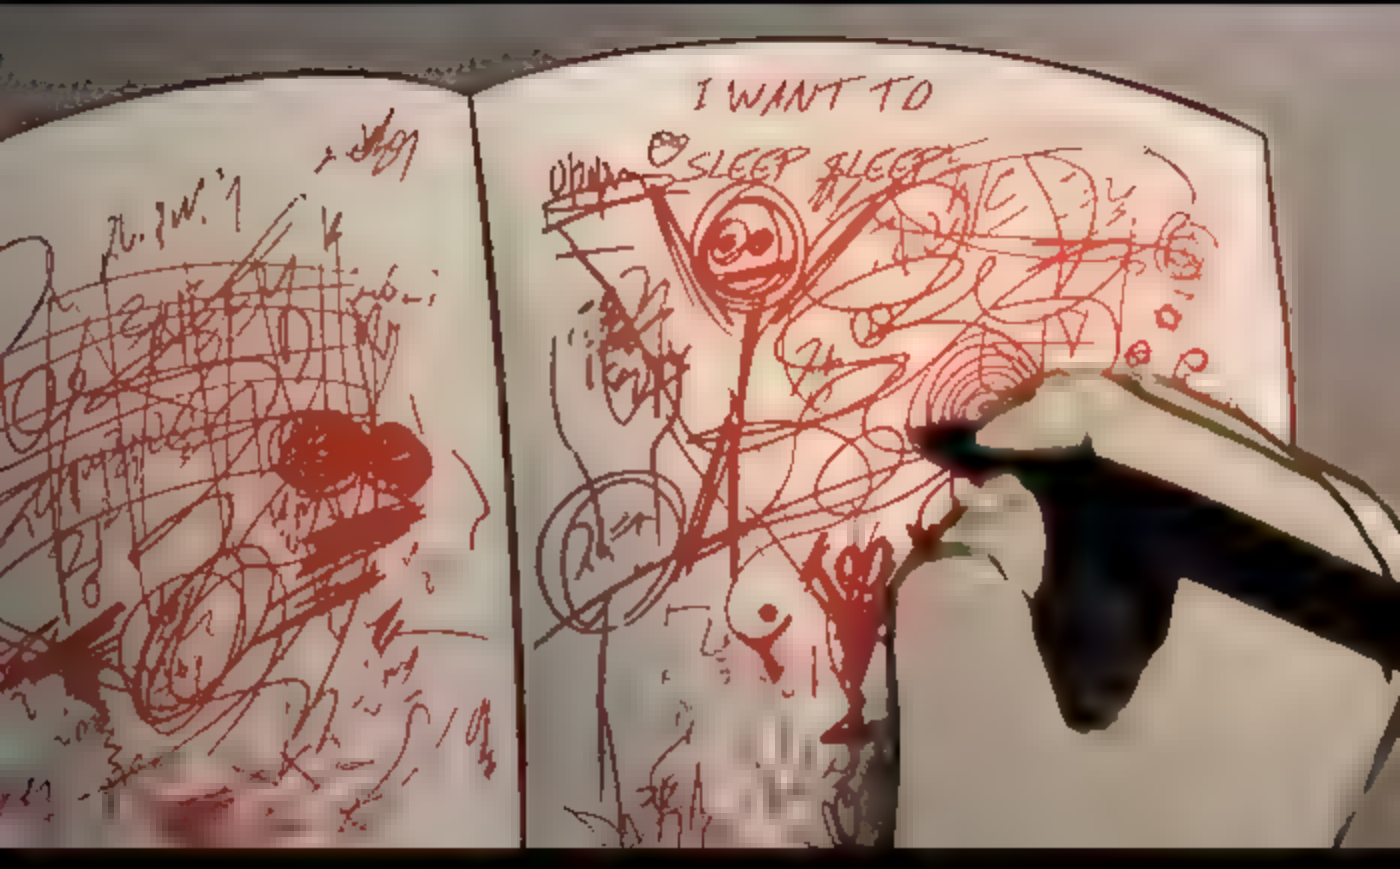
(DAY 25)

MIGRAINES, CHILLS, DIZZINESS, NAUSEA,

CHRONIC FATIGUE, MEMORY IMPAIRMENT,

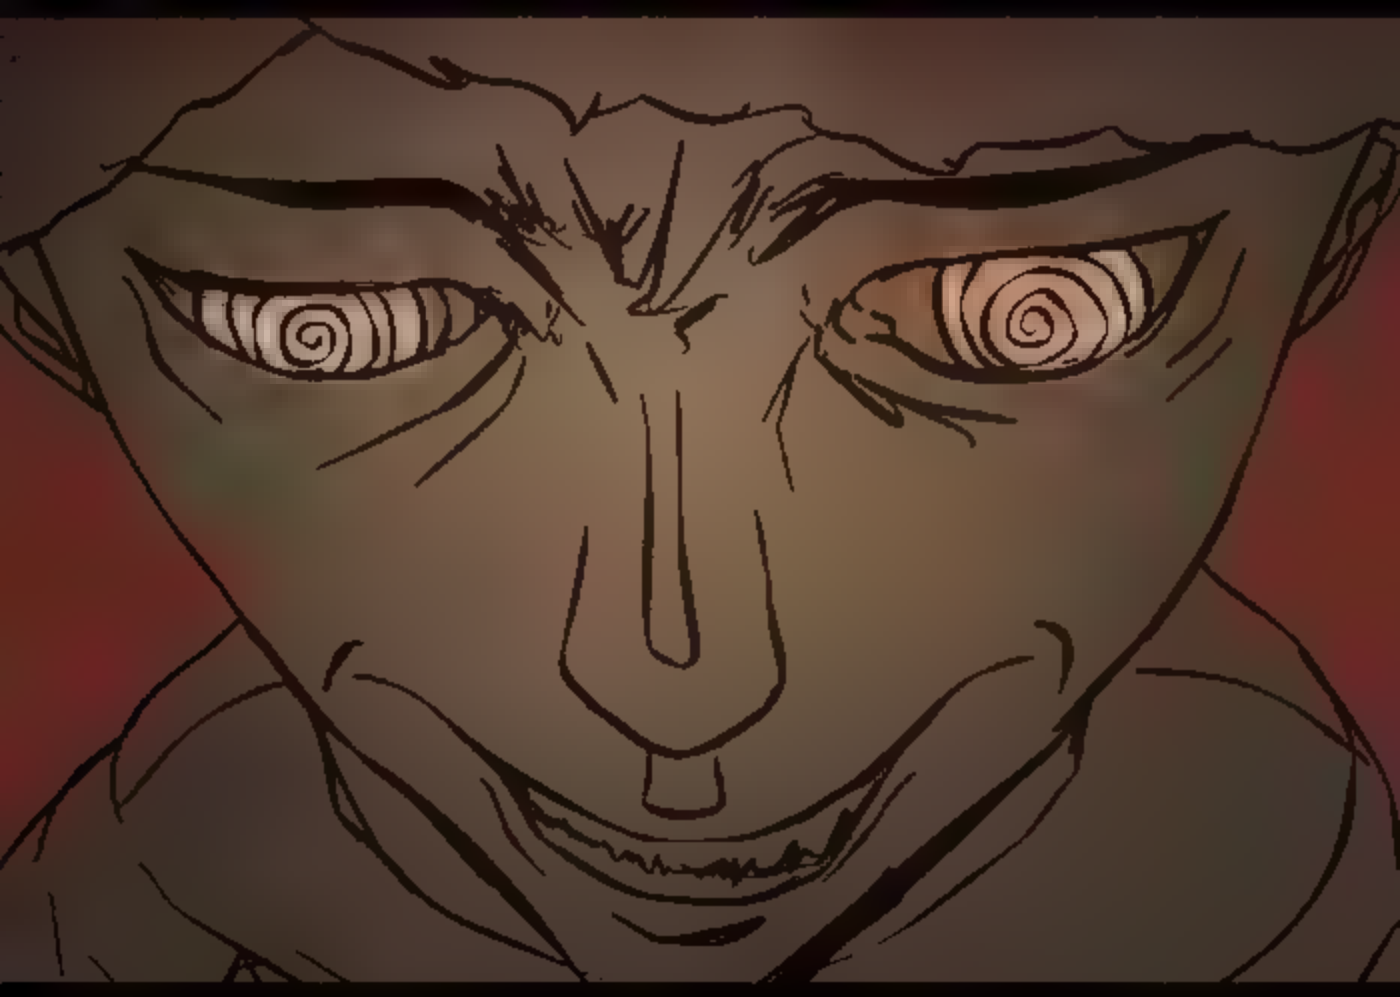
AND TERRIBLE NIGHTMARES I CAN'T EVEN REMEMBER.

THESE ARE WHAT I'VE GOT INSTEAD OF SLEEP.



ADDICTED TO LUCID DREAMS,

I'M CONSTANTLY CHARGING FORWARD.

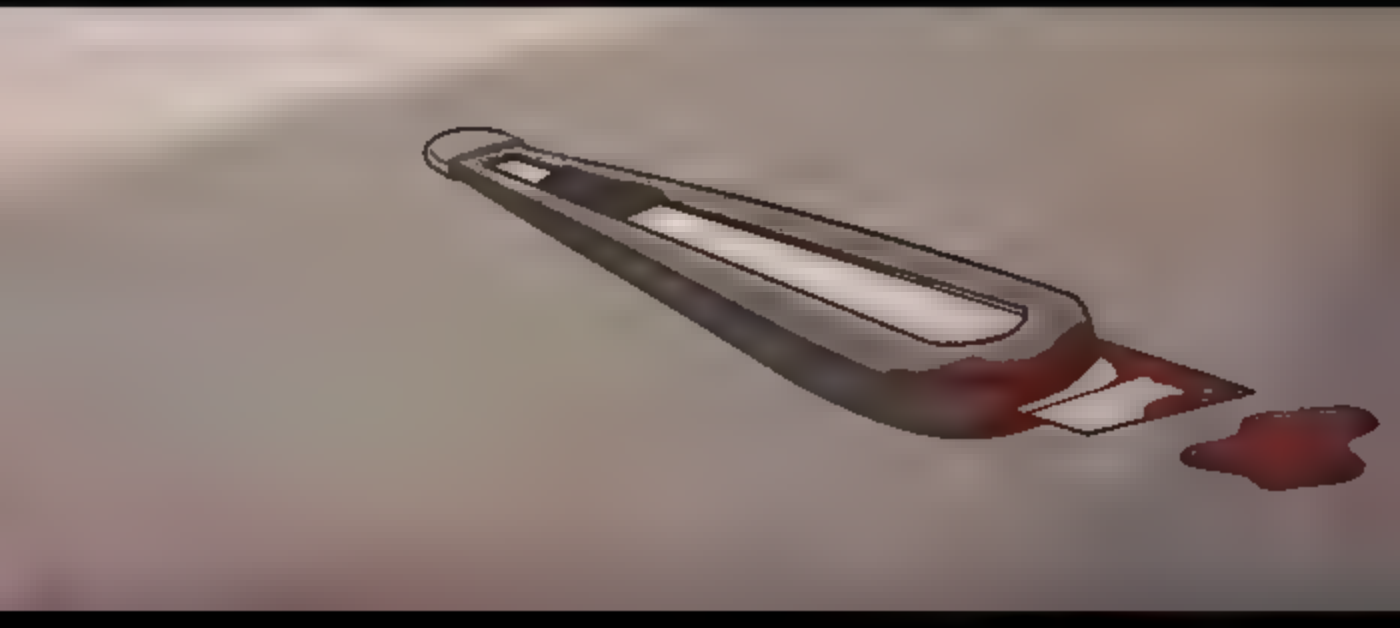


EACH DAY. EVERY MINUTE. IS PURE HELL.

ABSOLUTE HELL.

ABSOLUTE HELL.

(DAY 28)



I CUT MYSELF IN MY SLEEP.

THE WOUNDS WERE REALLY DEEP.
AND THE PSYCHOLOGICAL SHOCK WAS EVEN DEEPER.

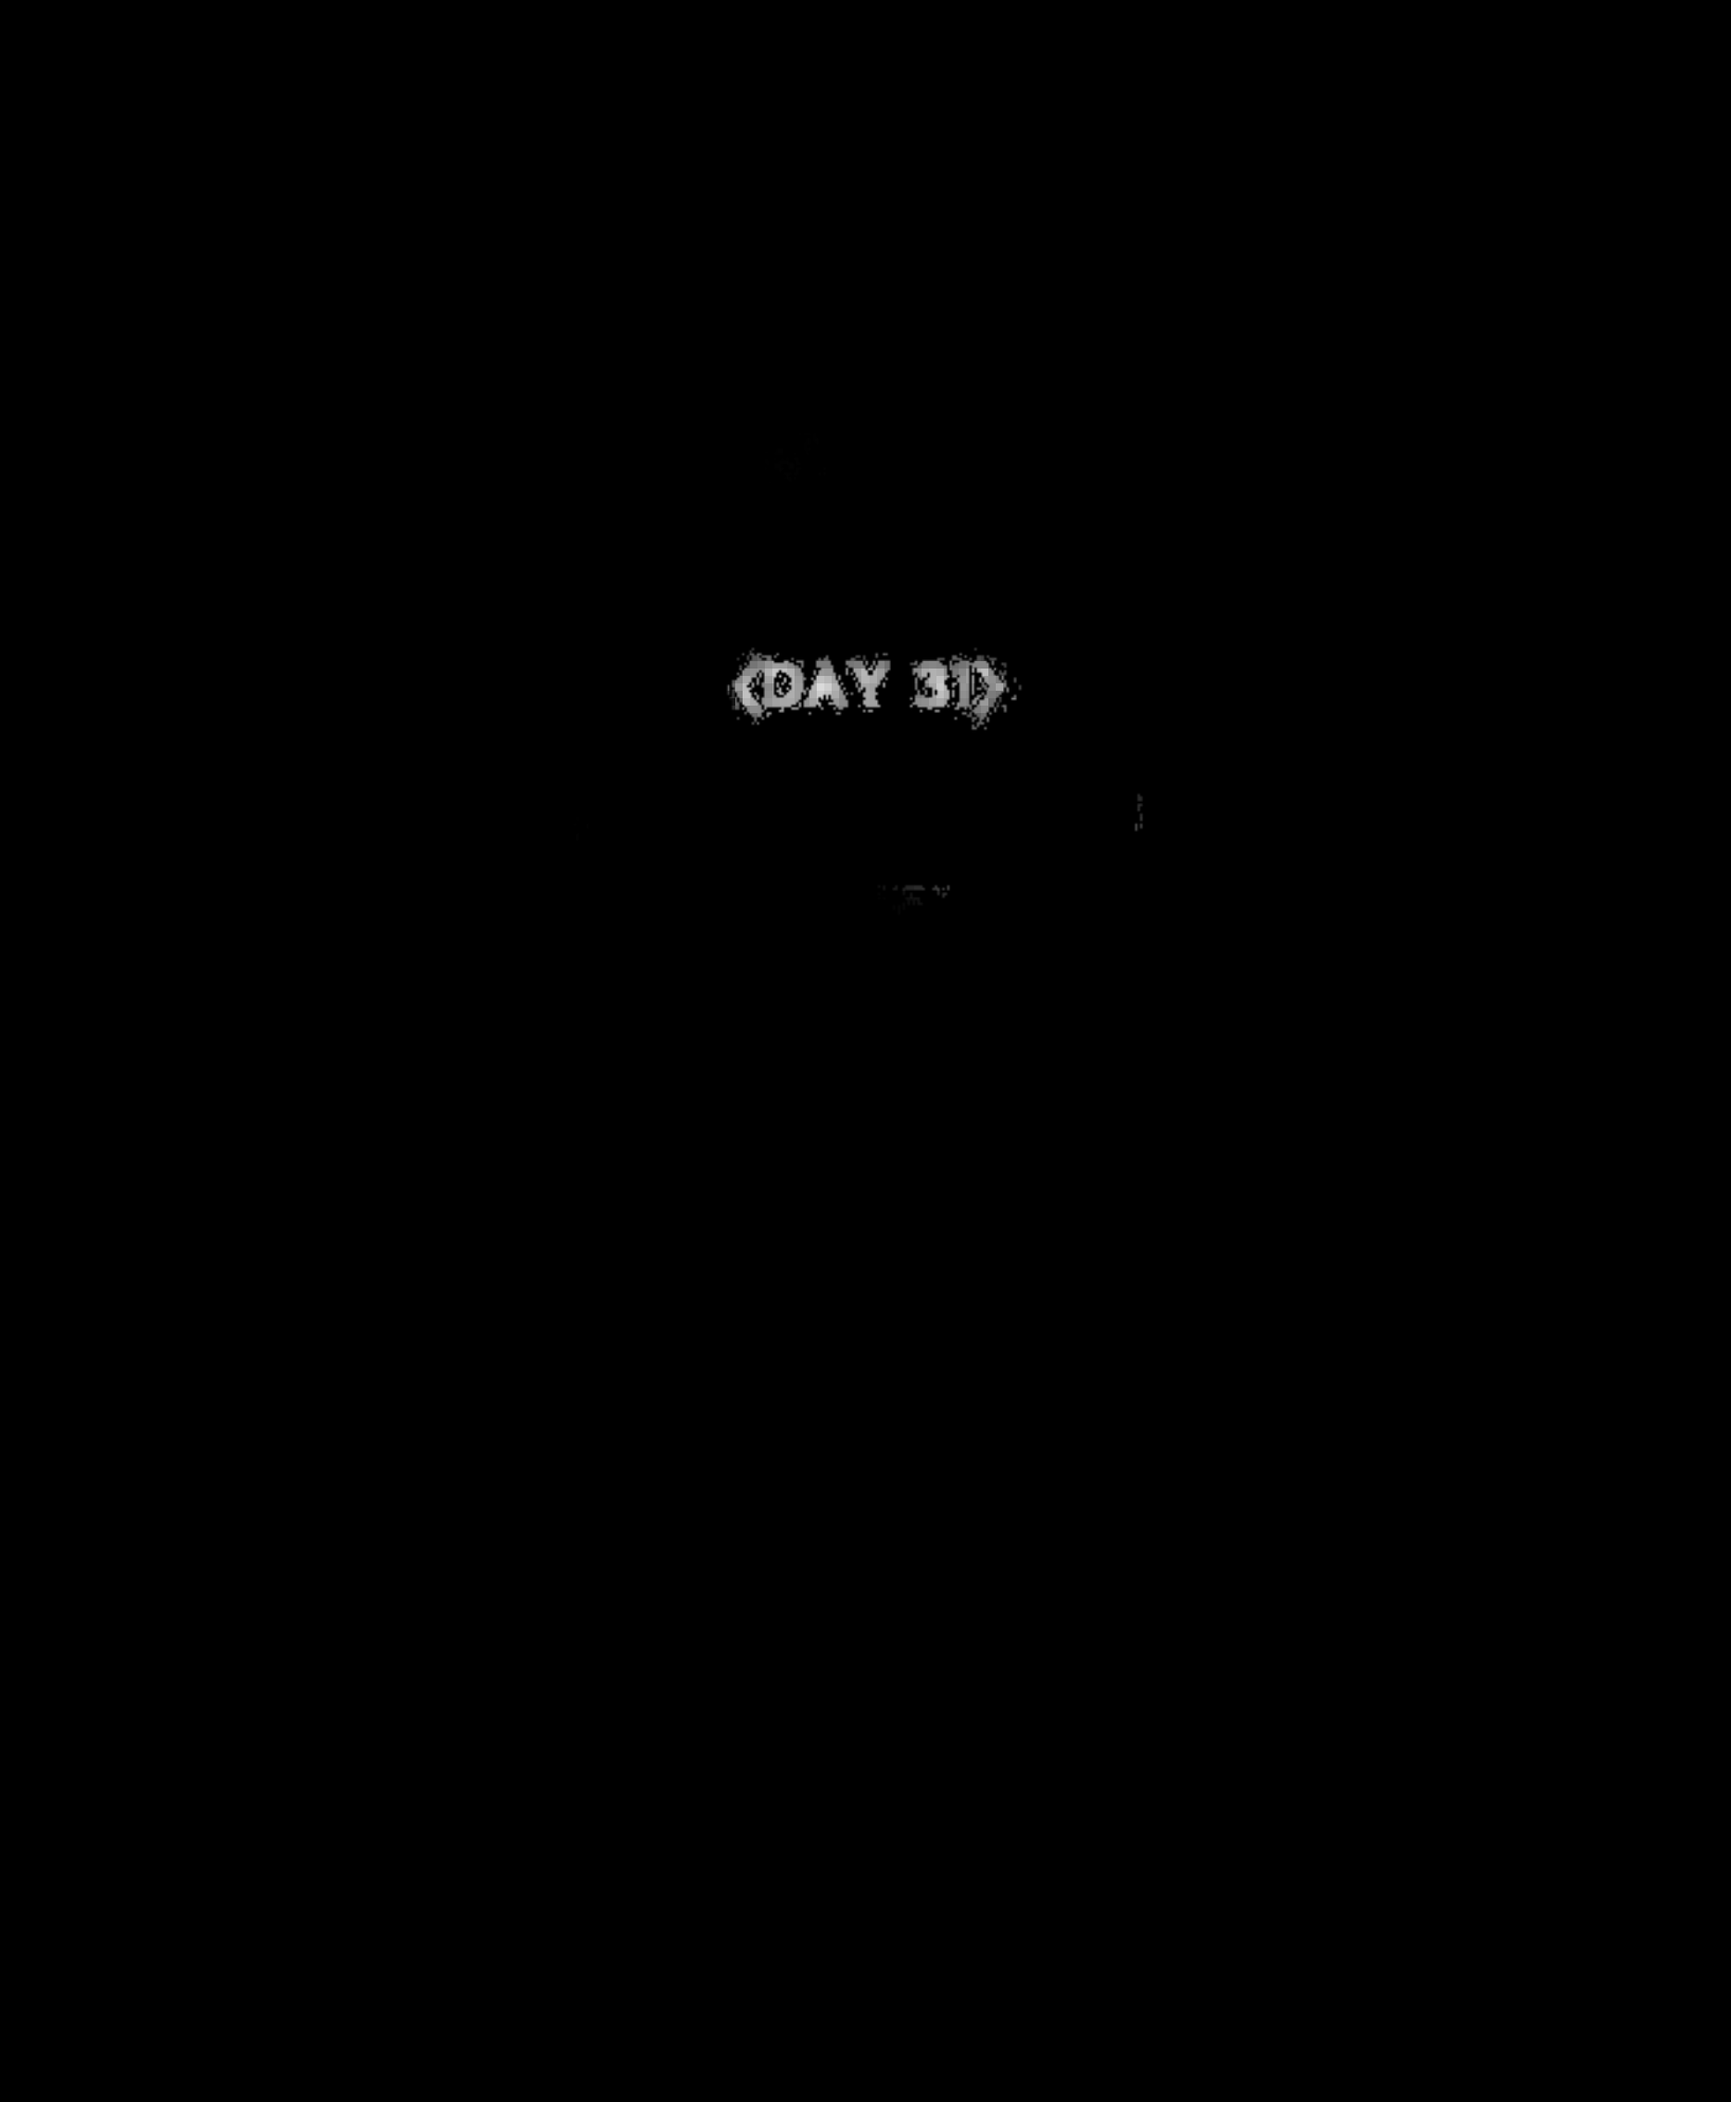
MY SUBCONSCIOUS IS DESPERATELY
TRYING TO TELL ME SOMETHING,

BUT THERE'S NO WAY TO HEAR IT.

I'VE REACHED MY LIMIT.

I'VE REACHED MY LIMIT.

THIS IS...



DAY 31

AFTER GETTING A PRESCRIPTION
FOR SLEEPING PILLS FROM THE HOSPITAL,

FOR THE LAST FEW DAYS,

I SLEPT SOOOOO WELL!
I FEEL SUPER REFRESHED!

I DIDN'T EVEN HAVE ANY DREAMS!
MY BODY FEELS SO LIGHT!

NOW I'M NOT AFRAID OF NIGHTTIME.

IN FACT, I ACTUALLY LOOK FORWARD TO NIGHTTIME!

NIGHTTIME, WHEN I CAN REST

WITHOUT ANY DISTRACTING
THOUGHTS OR WORRIES!
